

TRON MAN

THE HIGHLIGHT FOR YOUR EVENT

WHO ARE WE?

Tron Man is a special dance show designed to be performed in the dark.

We are using a combination of LED & UV lights precisely synchronized with the music in order to create special effects and bring the “WOW” factor to the audience.

Tron Man show can be performed as:

- **STAGE SHOW**
- **OPENING ACT**
- **OPENING CEREMONY
OF SPORT EVENT**

OUR MISSION

Our mission is to bring our clients the greatest show of their life, the performance that everyone will talk about for eternity.

TRON MAN

CUSTOMIZATION

- Creating the logo of client's company or any different LED objects which are implemented into the show and perfectly synchronized with the music and dance suits.
- Integration of any laser system or LED screens content into the show.

CHOOSE A CUSTOM SONG

Dancers are able to create custom choreography for your unique song, that will fit the theme of your event for audience ultimate experience.

SATISFIED CLIENTS

“All of the performers were professional, engaging, amazing in their own performances and the staff, management and external contractors had nothing but good things to say about them. I would definitely consider all of these acts for future events and would not hesitate in recommending or providing positive references for them all officially from PokerStars.”
